

Individual, unique, ecological.

As the first sailing centre on Phu Quoc island we aim to inspire the community to participate in tours and training and **feel the real sailing spirit.**

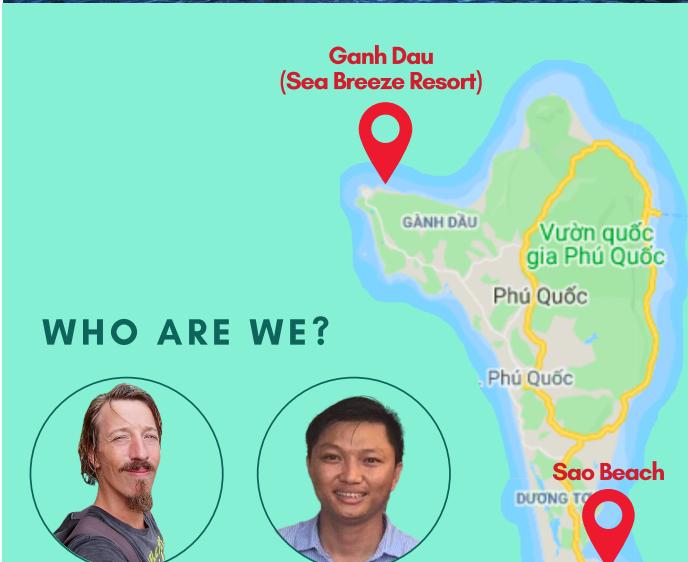

Our instructors and tour guides are highly **qualified and experienced** experts in their field.

Furthermore we partner up with local associations and schools to initiate and **support social and ecological projects.**

Come sail away with us! Book your preferred offer and chill, take pictures & videos, listen to music, swim, snorkel, learn skills or use the trapeze and fly above the water!

How can we serve you today –
relaxation or adventure?

The choice is all yours!
